

NIVA KUMARI SAH

Mobile No: +977 9817621929

Email: nivasah654324@gmail.com

Date of Birth: 03- may -2002

Father's Name: Mr. Ram Narayan Sah

Materials Status: Single

Address: Mithila Bihari 05, Dhanusha, Nepal.

CAREER OBJECTIVE

To align with a forward-thinking organization that offers avenues for continual growth and presents high-quality prospects for showcasing the knowledge and skills acquired, for the mutual advancement of my career and the organization.

ASSETS

Good Interpersonal & Communication skills, Leadership qualities, Quick learning ability, Smart working, Organizing and Team player.

Exceptional Interpersonal & Communication abilities, Exemplary Leadership attributes, Rapid assimilation aptitude, Astute operational approach, Strategic coordination, and Collaborative team member.

EDUCATIONAL QUALIFICATION

Qualification	Institution	University/Board	Year of passing	GPA
S.E.E	Shree Secondary School Laliya, Dhanusha, Nepal	SEE	2019	3.05
10 +2	Dhanusha Science Campus, Janakapur, DHANUSHA	NEB Bord	2021	3.43
Bachelor in Computer Engineering	Nepal Engineering College, Bhaktapur, Kathmandau	Pokhara University	2022 to running	Ist : 2.56 2 nd : 2.89 3 rd : 3.55 4 th : 3.53 5 th : 3.45

PROJECT

B. E Mini Project: College Information Chatbot using Python

- **Tools/Technologies:** Python, JSON, NLTK, Scikit-learn, Natural Language Processing (NLP), Django, Machine Learning, HTML, CSS, JS.
- Developed an AI-based chatbot to provide students with essential information about Nepal Engineering College (NEC), such as admission procedures, faculty details, academic programs, contact information, and campus facilities. The chatbot interacts with users in natural language and provides accurate responses based on predefined intents and entities.

Impact:

- Helped automate student queries and reduce manual.
- Enhanced student engagement and college accessibility.

Project: NEC Hotel Management by using Advanced Java

- **Tools/Technologies:** Advanced Java (Swing, AWT), JDBC, MySQL, NetBeans IDE.
- Developed a desktop-based Hotel Management System for Nepal Engineering College using Advanced Java. The system automates hotel operations such as room booking, customer check-in/check-out, billing, staff management, and report generation.

Impact:

- Simplified and digitized hotel workflow for better efficiency
- Improved user experience with responsive and intuitive interface
- Enhanced student engagement and practical understanding of real-world systems.

Project: Telephone Simulation System by using Java

- **Tools/Technologies:** Java, Java Swing, AWT, NetBeans IDE.
- Designed and developed a GUI-based Telephone Simulation System using Java, simulating real-time telephone operations such as incoming calls, outgoing calls, missed calls, and delayed call handling. The system mimics the functionality of a traditional telephone system with a user-friendly interface.

Impact:

- Improved understanding of event handling and state-based simulations.

- Practical implementation of object-oriented programming in real-world simulation.
- Built a functional educational tool to demonstrate basic telecom operations.

TECHNICAL SKILLS

- ☐ Microsoft Office, MS Word, CAD, Java Core and Java Advanced, C programming, Object-Oriented Programming, python, Django, Machine Learning, AI, DBMS, Cybersecurity, kali linux, DSA, MYSQL, Cisco Packet Tracer, Matlab, HTML, CSS, JS, UI/UX Design, quick decision-making.

ACTIVITIES

- ☐ **Participated in Cybersecurity & singing, dancing, playing. Engaged in a one-day national Seminar on “Insights of Science in Engineering Technology”.**

STRENGTH

Strong interpersonal and communication skills. Dedicated to meeting deadlines and adhering to schedules. Possesses leadership qualities and exhibits a diligent work ethic. Demonstrates teamwork and effective leadership abilities. A quick learner with a positive approach towards embracing new challenges.

INTERESTS

- ☐ Reading Books, Listening to Music, playing games, dance. Traveling, cooking, Gaming etc.

LANGUAGES

- English
- Nepali
- Hindi
